

RADARMAN HAD RESCUED SO MANY FROM MR. FINGER'S EVIL SCHEMES, BUT HE STILL HAD NOTHING TO OFFER AS AN ALTERNATIVE TO THE CUMBERSOME RADAR SYSTEMS OF HIS ARCH-ENEMY.

SO HE SET TO WORK INVENTING A SYSTEM BUILT ON AN ENTIRELY NEW PREMISE... PORTABILITY.

RADARMAN'S SYSTEM:
2-18 GHZ FREQUENCY RANGE
INTUITIVE USER INTERFACE
COST-EFFECTIVE
HIGHLY RELIABLE
PORTABLE

MAKE RADARMAN YOUR HERO!
