#4 SKYDAR

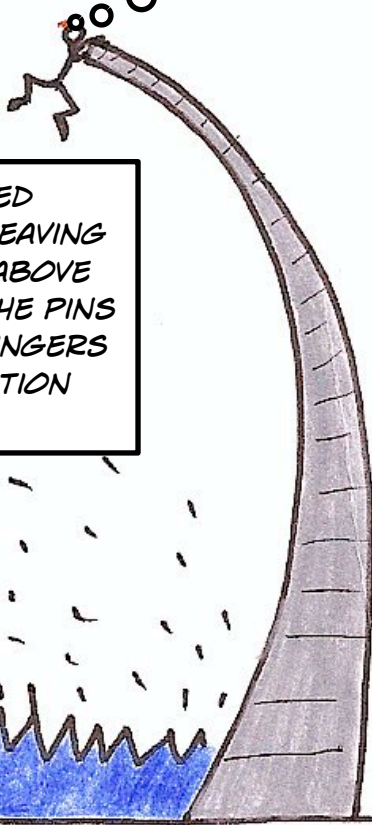

AN ENGINEER WAS REPAIRING A BROKEN SKYDAR RADAR WHEN...

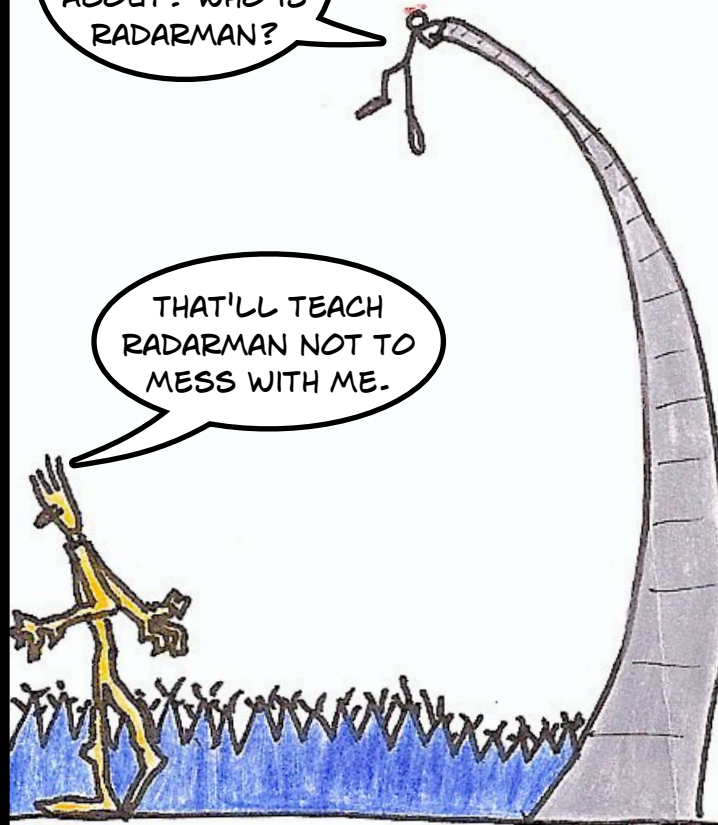

UM...WHAT ARE YOU DOING?!

MR. FINGERS KNOCKED OVER THE LADDER, LEAVING HIM STRANDED HIGH ABOVE THE GROUND! BUT THE PINS HE SHOT FROM HIS FINGERS MADE A TRICKY SITUATION EVEN TRICKER...

WHAT ARE YOU TALKING ABOUT? WHO IS RADARMAN?

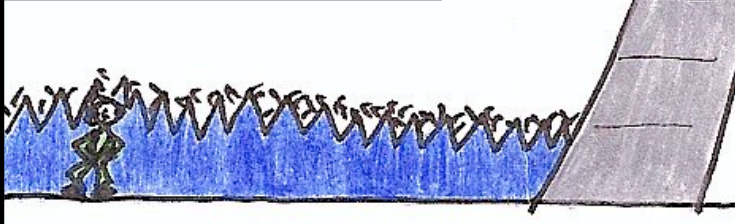

THAT'LL TEACH RADARMAN NOT TO MESS WITH ME.

WHO ARE YOU?

THE POOR ENGINEER WAS EVEN MORE PERPLEXED WHEN A TINY GREEN SUPERHERO WALKED IN.

RADARMAN QUICKLY ASSEMBLED AN ELECTROMAGNET TO DRAW ALL THE PINS OUT OF THE RAM...

DID MR. FINGERS DO THIS TO YOU?

...ALLOWING THE EXHAUSTED ENGINEER TO DROP TO THE SAFETY OF CUSHY BLUE RAM.

YOU DON'T HAVE TO BE UNDER MR. FINGERS' CONTROL ANY MORE. BECOME A FOOTSOLDIER IN THE RADARMAN REVOLUTION!
